Keeping true to the competitive spirit of the games, we're letting our players battle each other through August to share in awesome cash prizes. All play on *Games Fever* earns points, and the ten players with the most points at the end of the promotion period share in a prize pool of \$1,000!

The scoreboard is available from our promotions page and updates every couple of hours, and players can email our support staff at any time to confirm their score.

But not only that: in recognition of our players just giving it a go, we'll also be selecting five random *Games Fever* players during the promotion period and giving them \$100 each!

\$1500 is waiting to be claimed — catch the fever at *Lasseters Online*!
